Want to Get Your Employee Back to Work?

When one of your employees violates a Department of Transportation (D.O.T.) rule, the employee is referred to a Substance Abuse Professional (SAP) for an evaluation that may be used as a plan for returning your employee to work.

D.O.T. VIOLATIONS

- ◆ Employee tests positive for alcohol or controlled substances
- ◆ Employee uses alcohol or controlled substances while on duty
- ◆ Providing safety-sensitive functions within 4 hours of consuming alcohol
- ◆ Consuming alcohol within 8 hours following an accident (unless alcohol test was conducted)
- ◆ Using any controlled substance without a prescription
- ◆ Refusing an alcohol or drug test

We Can Help

Integrity Counseling & Coaching can offer you:

- Qualified, experienced substance abuse professionals
- Day, evening, and weekend hours at 2 locations in Pinellas County for your convenience
- Information on SAP evaluations and the Return-to-Duty process
- Evaluation and referral services designed to protect you, your employee, and the traveling public.
- Get an EAP contract with Integrity Counseling and your employee can get both evaluation and treatment at one place.
